FLOATING TERRITORIES

a journal

With 'Points of View' Yona Friedman offers a 'thesis' as an invitation for a 'dispersed debate'. The thesis offered here consists of the idea of imagining the world that we ceaselessly interpret, a world which we construct images of, not as an absolute truth but as a continued process of inventions and constructions. *We cannot understand the universe. We do not need to understand the universe (Yona Friedman)*. As an alternative he suggests sharing, or rather, a continued sharing of the invention of sharing. Floating Territories: a journal - is a game in which the creation of a territory is sketched/ shared courtesy of a dialogue between...
